

NVS and COVID-19

Date: 06.04.2020

OVERVIEW

COVID-19 has impacted on the way many veterinary clinics are running. Here is a quick summary of how NVS can continue to serve your practice during this time.

Please note that many services are now offering early morning consults as well as video tele-consultations to improve appointment time flexibility for our clients.

EARLY MORNING CONSULTATIONS NOW AVAILABLE

Our appointment hours have been extended!

NVS is available from 6am Monday to Friday and many of our specialist services are now offering early morning consultations. If you have a client who would like to take advantage of this new availability, please contact **9452 2933**.

HOW CAN WE HELP?

If there is anything we can do to better serve you, please do not hesitate to get in contact with our team. We will continue to be as flexible as possible during this dynamic time.
